

**National Report on STP-related Activities**  
*A Template*

Name of the National Adherent Representative:

Institution:

Country:

Reported Period:

Please prepare the report addressing the following elements, whichever is relevant to your country:

1. Approximately how large is the National STP (solar-terrestrial physics) community
2. Which institutions participate in this STP activity
3. Main topics of the STP research carried out nationally
4. A summary of STP research carried out during the reported period, with highlights of the results obtained (could include references of seminal papers, if available)
5. Outreach Activities
6. Capacity Building Activities
7. Participation in National/International conferences (which ones, how many scientists?)
8. How many have been supported by SCOSTEP/VarSITI
9. International Collaborations and Initiatives
10. Current and upcoming missions and campaigns, in which the respective National STP community participates
11. Future plans

All national reports have to be submitted by February 28 of the year following the year for which the report is due. All reports should be sent to the SCOSTEP Secretariat.
